President's Message

I would like to thank all of you who donated dollars to our "No Bake, No Garage Sale" at our January meeting. Our society coffers have been increased by your generous contributions. They are appreciated. Your contributions to the FGS Malcolm Stern fund are also appreciated. Your society contributes to this fund by sending an additional \$25 for each member upon their passing.

As stated in previous messages, there will be many opportunities for our members to become involved in upcoming activities of our society. Our society plans include representation at the annual Pioneer Picnic in LaConner on the first Thursday in August and our annual Heritage Fair will be on October 6 this year. We will need assistance with both of these activities.

You will hear more about the new library facility in Burlington from our librarian, Joan Udd. It is a beautiful facility and we are very pleased to be a part of it even in a very small way. The "Book Brigade" was a lot of fun and those who attended enjoyed the festivities and refreshments in the new conference room. It is a very large and well equipped room with projection screen and lots of parking. Your board of directors will be having the June board meeting at this location. You are all welcome to attend the board meeting. It is open to anyone wishing to attend.

Joan and her library committee are to be commended. Our genealogical library collection has been moved, and arranged on the shelves. The media library (previously called the traveling library) has been moved to the library. Talk to Joan for further information about accessing those materials.

On an interesting note, one of the questions on our January questionnaire had to do with Saturday meetings. A majority of those polled by our telephone committee, by telephone or email, responded positively, however, the majority of those attending meetings were very much against the idea. For the present we will continue to have our meetings on the fourth Tuesday at 7:00 pm. If there are some who would like to have a daytime session, it may be possible to form a Special Interest Group to discuss your brick walls and share your problem areas as well as your successes. Give this some thought and if there is someone who would like to consider chairing this group, please let me know.

Plans are beginning to take shape for the 2008 WSGS Conference and Annual Meeting. It will be hosted by Skagit Valley Genealogical Society, and will be held at the Christ the King Church on Riverside Drive in Mount Vernon. This is the old Elks lodge, is spacious and has lots of parking. Sandra Hargreaves Luebking of Chicago, Illinois has agreed to be our headline speaker and will do a presentation on Friday evening as well as three sessions on Saturday. Mark your calendars for May 9 and May 10, 2008.

In the meantime, let us all dig, dig, dig, and come up with some ideas to share with our members. In the upcoming months there will be a special night planned for you to share your brick walls, and your successes. I look forward to seeing many of you at our meetings and will enjoy sharing your stories.

Hazel Razar, President

Message from Joan the Librarian

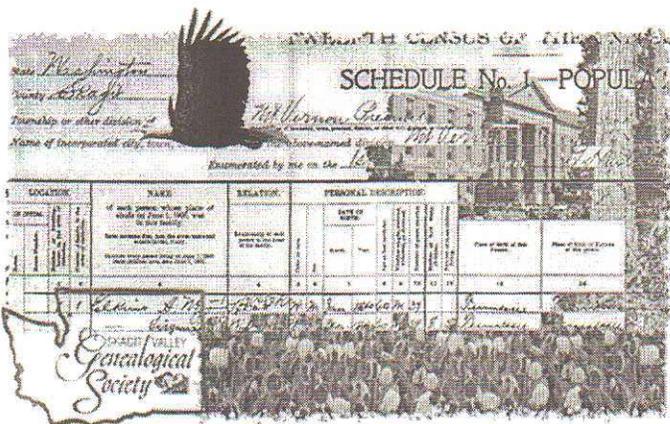

The new Burlington Public Library will be open by the time everyone receives this newsletter and what a grand and spacious place it is. The library committee, Lee Matson, Joyce Liston and Joyce Weimerslage and myself spent lots of time getting the shelves in order. It is great to have so much space to work with. Instead of the tall 4 drawer files there are file drawers that are horizontal with space on top to use. Also, the new microfilm reader is right beside for easy access. Two small study rooms are also close by where more space is available for spreading out materials and conversations. Individual computers are also close by as well as a computer lab for instruction.

Everyone is invited to the Grand Opening Celebration on Saturday June 16 with the ribbon cutting at 11 A.M. The plan is to have different parts of the library emphasized and Genealogy will be one of them. Members are invited to be there at 12 Noon to help answer questions people may have. So, put the date on your calendar and please come.

Joan

Our valiant society members representing SVGS at the "Book Brigade" human chain from the old library to the new!

Since the move to the new library the SVGS board has decided the old bookcases can be sold. Overall measurement is 7 feet tall and three feet wide. There are 7 shelves and they are 12 inches apart all but the bottom shelf which is 15 inches apart. They are solid wood and a very good price of \$75 each. Since they are bolted to the wall an arrangement will need to be made to remove them, since the old library is now closed. Please let **Joan Udd** know if you wish to purchase.
